In re Application of
Gary Dommer et al
Application No. 10/085,489
Filed: February 26, 2002
Attorney Docket No. 46522-1101

: **OFFICE OF PETITIONS**
:
: **DECISION GRANTING PETITION**
: **UNDER 37 CFR 1.55(c)**
:

This is a decision on the renewed petition under 37 CFR 1.55(c), filed July 15, 2005, for acceptance of an unintentionally delayed claim under 35 U.S.C. § 119(a)-(d) for benefit of the filing date of a foreign Great Britain application; namely, Application No. 0104781.0, filed February 27, 2001.

A petition under 37 CFR 1.55(c) to accept an unintentionally delayed claim for priority requires:

- (1) The nonprovisional application claiming the benefit of an earlier filing date must be filed on or after November 29, 2000;
- (2) the claim submitted with the petition must identify the prior foreign application for which priority is claimed, as well as any foreign application for the same subject matter and having a filing date before that of the application for which priority is claimed, by the application number, country, and the filing date **and be included either in an oath or declaration (37 CFR 1.63(c)(2)) or in an Application Data Sheet (37 CFR 1.76(b)(6))**;
- (3) the surcharge as set forth in 37 CFR 1.17(t);
- (4) a statement that the entire delay between the date the claim was due under 37 CFR 1.55(a)(1) and the date the claim was filed was unintentional. (The Commissioner may require additional information where there is a question whether the delay was unintentional); and
- (5) the above-identified nonprovisional application must be filed within 12 months of the filing date of the foreign application.

The instant pending nonprovisional application was filed after November 29, 2000, and did not include a reference to the foreign application, for which benefit is now sought, within the later of four months from the actual filing date of the application or sixteen months from the filing date of the prior foreign application. Therefore, since the claim for priority is submitted after the period specified in 37 CFR 1.55(a)(1)(i), this is an appropriate petition under the provisions of 37 CFR 1.55(c).

The above-identified pending nonprovisional application was filed on February 26, 2002, which is after November 29, 2000 and within 12 months of February 27, 2001 (the filing date of the foreign application to which benefit is now being claimed). On July 15, 2005, an Application Data Sheet was received which identifies the foreign application for which priority is claimed by application number, country and filing date. The required petition fee of \$1,300 was received on May 2, 2003. Lastly, petitioner has provided an adequate statement of unintentional delay.

All requirements being met, the petition under 37 CFR 1.55(c) to accept an unintentionally delayed claim for priority under 35 U.S.C. § 119(a)-(d) is **granted**.

A Corrected Filing Receipt which reflects the above-noted foreign application accompanies this decision on petition.

This application is being forwarded to Technology Center AU 2611 for examination in due course and for consideration by the examiner of record of the foreign priority claim under 35 U.S.C. § 119(a)-(d).

Any inquiries directly pertaining to this matter may be directed to the undersigned at (571) 272-3218.
